Now that efforts were being made to control the preeclampsia, Dr. Daines had scheduled a series of tests for the following day. He expected to recommend a cesarean section as soon as Phimie's e's blood pressure was reduced and stabilized, but he didn't want to risk this surgery before determining what complications might have resulted from her restricted diet and the compression of her abdomen..Although the Rolex was expensive, Junior cared nothing about the monetary loss. He could afford to buy an armful of Rolexes, and wear them from wrist to shoulder..Twenty minutes later, at home, he poured sherry over ice. Sipping, he stood in the living room, admiring his two paintings..She tried to tell him that he was going to make it, that he would be with her for a long time, that the universe was not so cruel as to take him at thirty with all their lives ahead of them, but the truth was here to see, and she could not lie to him.. "I was once doubting Thomas," said the detective, but not from beside the bed any longer. His voice seemed to come from across the room, perhaps near the door, though he had made not a sound as he'd moved..In his light backpack, he carried one change of clothes, spare socks, candy bars, bottled water. He planned his journeys to be in a town every nightfall, where he washed one set of clothes and donned the other..He hadn't seen Thomas Vanadium since Monday, at the cemetery, and Vanadium hadn't pulled any tricks since leaving twenty-five cents at his bedside that same night. Almost four days undisturbed by the hectoring detective. In matters Vanadium, however, Junior had learned to be wary, prudent..Great hobnailed wheels of pain turned through Agnes, driving her into darkness for a moment..By Thursday, September 23, due to Junior's accident and surgery, the draft board-which had reinstated his I -A status after he'd lost the exemption that had come with his former job as a rehabilitation therapist-agreed to schedule a new physical examination in December..In his entire life, Junior had never suffered this much pain without first having killed someone. Reluctant to depart until certain that his student was out of danger physically, emotionally, and mentally, Bob Chicane stayed until three thirty. When he left, he broke some bad news to Junior: "I can't keep you on my student list, man. I'm sorry, but you're way too intense for me. Way too intense. Everything you do. All the women you run through, this whole art thing, whatever all those phone books are about-now even meditation. Way too intense for me, too obsessive. Sorry. Have a good life, man."..On Thursday, January 4, he used his John Pinchbeck identity to purchase a new Ford van with a cashier's check. He leased a private garage space in the Pinchbeck name, near the Presidio, and stored the van there..Yet in her heart, she wouldn't relinquish hope for a miracle. This was an amazing boy, a prodigy, a boy who could walk where the rain wasn't, already himself a miracle, and it seemed that anything might happen, that Dr. Chan might suddenly rush into the waiting room, surgical mask dangling from his neck, face aglow, with news of a spontaneous rejection of the cancer..Throughout this procedure, Barty appeared solemn and thoughtful. When he had squeezed the tenth toe, he stared at it, brow furrowed..In the bedroom, as he opened a suitcase on the bed, he saw the quarter. Shiny. Heads-up. On the nightstand..Supposing that this new enthusiasm was an attempt to uncover skullduggery in Seraphim's accident, then the girl would be doing Junior a service even after her demise. Whether or not the traffic accident was an accident, Junior hadn't had anything to do with it..Startled, Junior sat up straight, clutching the silencer-fitted pistol, but the cruiser didn't abruptly brake and pull to the curb in front of the Mercedes, as he expected..Ford dealership, which he'd closed for business until three o'clock: lamentations, lunch, and moving reminiscences of the deceased shared among the shiny new Thunderbirds, Galaxies, and Mustangs. That venue would provide Junior with the witnesses he required for his reluctant, tearful, and perhaps even angry concession to the Hackachaks' insistent materialism..She didn't have an appetite, anyway. Joey was too much on her mind. The safe birth of a healthy child was a blessing, but it wasn't compensation for her loss. Although by nature resistant to depression, she now had a darkness in her heart that would not relent before a thousand dawns or ten thousand. If a mere nurse had insisted that she eat, Agnes would not have been persuaded, but she couldn't hold out against the insistent importuning of one special seamstress..Aside from purchasing the T S. Eliot book, which he hadn't found time to read, Junior was only peripherally aware of current events, because they were, after all, current, while he tried always to focus on the future. The news of the day was but a faint background music to him, like a song on a radio in another apartment..Junior suspected that no one other than this man's mother called him Tom. He was probably "Detective" to some and "Vanadium" to most who knew him..After Agnes read the final words on the final page, Barty was drunk on speculation, chattering about what-might-have-happened-next to these characters that had become his friends. He talked nonstop while changing into his pajamas, while peeing, while brushing his teeth, and Agnes wondered how she would wind him down to sleep..In all their years, neither twin had ever set foot beyond the limits of Bright Beach. They both appeared nervous but determined..They were driven to St. Mary's by Detective Bellini in a police sedan. Tom Vanadium-a friend of her father's whom she had met a few times in

Spruce Hills, but whom she didn't know well--literally rode shotgun, tensed to react, wary of the occupants of other vehicles on. While the doctor proceeded with his evening rounds, the nurse remained with Junior until it was clear that the tranquilizer had calmed him and that he was no longer in danger of succumbing to another bout of hemorrhagic vomiting. WHEN DR. JIM PARKHURST made his evening rounds, Junior didn't continue to feign sleep but asked earnest questions to which he knew most of the answers, having eavesdropped on the conversation between the physician and Detective Vanadium. Nevertheless, his sense of violation grew as he paced these now songless rooms, mystified and frustrated. On April 19, the unmanned Surveyor 3, after landing on the lunar surface, began transmitting photos to Earth, and when Junior stepped out of his morning shower, he again heard the eerie singing, which seemed to arise from a place more distant, more alien, than the moon. Like all ICU waiting rooms, where Death sits patiently, smiling in anticipation, this lounge was clean but drab, and the utilitarian furnishings didn't pamper, as though bright colors and comfort might annoy the ascetic Reaper and motivate him to cut down more patients than otherwise he would have done. In spite of the ravages of illness and age, beauty remained in the old woman's face. Her bone structure was superb. In youth, she must have been stunning. For more than twenty-three years, he'd given his big toe little consideration, had taken it for granted, had treated it with shameful neglect. Now this lower digit seemed precious, a comparatively small fixture of flesh, but as important to his image of himself as his nose or either of his eyes. The singular beauty of San Francisco and the exquisite patina of its colorful history spoke to her heart and kindled in her such an unreasonable passion that she sometimes wondered, at least half seriously, if she had spent other lives here. Often, streets were wondrously familiar to her the first time that she set foot on them. Certain great houses, dating from the late 1800s and early 1900s, inspired her to imagine elegant parties thrown. On Tuesday, less than twenty-four hours after Naomi's funeral, Knacker, Hisscus, and Nork--representing the state and the county held preliminary meetings with Junior's lawyer and with the attorney for the grieving Hackachak clan. As before, the well-tailored trio was conciliatory, sensitive, and willing to reach an accommodation to prevent the filing of a wrongful-death suit. "I mean it. You have a lot of responsibilities here. Barty. Pie Lady Services. People who depend on you. Friends who love you. When you came on board with me, mister, you bought into a whole lot more than you can walk away from." The bandaged man stormed up from the ruin of the living room, gauze fluttering around his lips as his hard exhalations seemed to prove that he wasn't a long-dead pharaoh reanimated to punish some heedless archaeologist who had ignored all warnings and violated his tomb. So this wasn't a *Weird Tales* moment. He hesitated, because until the limited explanations he'd made to Celestina in San Francisco, he had never discussed his special perception with anyone except two priest counselors in the seminary. At first he felt uneasy, talking of these matters to strangers-as if he were making a confession to laity who held no authority to provide absolution but as he spoke to this hushed and intense gathering, his doubts fell away, and revelation seemed as natural as talk of the weather..could spring the new deadbolts as easily as the old. Therefore, on the interior of the front and back doors, Junior added sliding bolts, which couldn't be picked from outside. Junior was free of superstition. He believed in neither gods nor demons, nor in anything between. Sliding Victoria's chair away from the table, he turned her to face him. He adjusted her body so that her head was tipped back and her arms were hanging slack at her sides. gob of mucus in his throat. His face contorted with a misery that he did not have to fake, and he was astonished to feel tears spring to his eyes. "You should be with your children," Agnes worried. Maria looked up. "My babies are sitted with my sister." The time had come for him to think more seriously about his situation and his future. Self-improvement remained a laudable goal, but his efforts needed to be more focused. Startled, Nolly checked his shirt pocket and withdrew a quarter. "It's not the same one." Dragonfly. Maria, however, lived comfortably with both the Catholicism and the occultism in which she had been raised. In Hermosillo, Mexico, the latter had been nearly as important to the spiritual life of her family as had been the former. Junior considered leaving before Vanadium--still seventy-five yards away--arrived. He was afraid he would appear to be fleeing. Jacob feared what men could do with clubs, knives, guns, bombs, with their bare hands, but he was most preoccupied by the unintended death that humanity brought upon itself with its devices, machines, and structures meant to improve the quality of life. She damaged more of Joey's things than her own solely because he was such a big, dear giant, which made it easier to believe that he was constantly bursting out of his clothes. Curiously, reciting these facts usually calmed him, as though speaking of disaster would ward it off. Since Friday, however, he had found no comfort in his usual routines. Edom had turned away from the box of groceries that he was packing. Frowning at the pies, he said, "You don't think. . . Ordinarily, when Celestina was troubled, her art was a perfect sanctuary from all woes. When she was planning, composing, and rendering, time had no meaning for her, and life had no sting. BARTY TODDLED, Barty walked, and ultimately Barty carried a pie for his mother on one of her delivery days, wary of his balance and solemn with responsibility. Nolly's gums were in great shape, too: firm, pink, no sign of recession, snug to the neck of each tooth. Two of her largest and best paintings were in the show windows, dramatically lighted. They were dazzling. They were dreadful. They were beautiful. They were hideous. "When the Iroquois Theater in Chicago burned on December 30, 1903" he said aloud, testing his memory, "during a matinee of Mr Blue Beard, six hundred two people perished, mostly women and children." They knew no one named Bartholomew, and she had never heard the name from him before, but she knew what he wanted. He was speaking of the son he would never see. Her elegance was appealing. A pink Chanel suit with knee-length skirt, a strand of pearls. Her figure was spectacular, but she didn't flaunt it. She was even wearing a bra. In this age of bold erotic fashion, her more demure style was enormously seductive. Gorging on fudge cake and coffee to guard against a spontaneous lapse into meditative catatonia, Junior manfully admitted that he had been weak, that he had reacted to the unknown with fear and retreat instead of with bold confrontation. Because each of us can trust no one in this world but himself, self-deceit is dangerous. He liked himself better for this frank admission of weakness. after he is rolled onto his back by his father, now, here, roses by the fistful jammed in his face, crushed and ground. Barty followed the movement of her hand, raised his gaze to her eyes, hesitated, and then said questioningly, "No pie?".64 just a little bit ago," the girl said. "I was sitting on the porch, having a Popsicle, and I just figured it out." "so she's married," Junior said, figuring that maybe Celestina wasn't his heart mate, after all. Yet when he put her down in the upstairs hall, she cried out for her husband--"Harry!" "-and tried to plunge once more into the narrow stairwell." "You figure all this," Jolene asked, "because Mother Nature gives us a nice warm day in January?". After supper in a roadside diner, Paul returned to his room and studied a tattered map of the western United States, the latest of several he'd worn out over the years. Depending on the weather and the steepness of the terrain, he might be able to reach Spruce Hills, Oregon, in ten days. Turning his attention to Barty, Obadiah broke into a smile, revealing a gold upper tooth. "Something here is sweeter than that lovely pie. What's the child's name?". Now, on his kitchenette table, two nights after Maria's reading, Jacob finished

integrating the four decks as he had done Friday in the dining room of the main house. His work completed, he sat for a while, staring at the stack of cards, hesitant to proceed..Gazing into the mirror, which ought to have been clouded with self-pity as though with steam, Junior Cain searched for his anger and found it. This was a black and bitter anger, as poisonous as rattlesnake venom; with little difficulty, his heart was distilling it into purest rage..Again he fired into the lock, squeezed the trigger a second time, and discovered that no rounds remained in the magazine. Extra cartridges were distributed in his pockets..Always, he was good with Barty, and on this occasion, he teased more than the usual number of smiles and giggles from the boy as he tried to get him to read the Snellen chart on the wall. Then he lowered the lights in the examination room to study his eyes with an ophthalmometer and an ophthalmoscope..The reverend couldn't easily escape church obligations on such short notice, but Grace wanted to be with her daughters. Phimie, however, pleaded that only Celestina accompany her..Down the stairs, through the ground floor, quickly, soundlessly, breath held at times, listening for the other's breathing, listening for the softest squeak of rubber-soled shoes, although the hard clack of cloven hoofs and a whiff of sulfur would not have been surprising. At last he went to the kitchen, full circle from the shiny quarter on the breakfast table to the quarter again. No Cain..On the third of June, he found another useless Bartholomew, and on Saturday, the twenty-fifth, two deeply disturbing events occurred. He switched on his kitchen radio only to discover that "Paperback Writer," yet another Beatles song, had climbed to the top of the charts, and he received a call from a ea woman..Although she had slept well and though her hemorrhaging had been successfully arrested, Agnes was too weak to manage breakfast alone. A simple spoon was as heavy and as unwieldy as a shovel..Darker than water, another stain spread across the lap and down the legs of the pants. It was the color of port wine when filtered through the gray fabric of the jogging suit, but even in her semi-delirious state, she knew that she was not the vessel for a miracle birth, was not bringing forth a baby in a flush of wine, but in a gush of blood..Still looming over her, he snatched the pad out of her hands and examined the sketch. "Where would you have seen this?". "Did he say I'd met him?" Jacob asked, squinting past Edom toward the bright sunlight at the open door..Of the things you couldn't have seen coming, I'm the worst ... I'm the worst ... I'm the worst....."I didn't know it myself till I realized I was right in your neighborhood. I assumed your mother and Angel would be here, and I hoped you might be. If I'm intruding-".Paul shook his head. He presented a second picture of Perri, this one taken on Christmas Day, 1964, less than a month before she died. She lay in her bed in the living room, her body shrunken, but her face so beautiful and alive.
