He listened. He heard. When he was Gelluk's prentice and assistant, he had encouraged his master in the study of the lore of Way, finding himself free while Gelluk was off doting on his quicksilver. But Gelluk's abrupt fate had shaken him. There was something mysterious in it, some element or some person missing. Summoning the useful Hound to help him, Early had made a very thorough inquiry into what happened. Where Gelluk was, of course, was no mystery. Hound had tracked him straight to a scar in a hillside, and said he was buried deep under there. Early had no wish to exhume him. But the boy who had been with him, Hound could not track: could not say whether he was under that hill with Gelluk, or had got clean away. He had left no spell traces as the mage did, said Hound, and it had rained very hard all the

night after, and when Hound thought he had found the boy's tracks, they were a woman's; and she was dead. But if he lets you in, then from inside you see that the door is entirely different - it's made of words. "Weak as women's magic, wicked as women's magic," you think I don't know what they say? So, said, and Azver nodded. Cool. Nearby stood a vacant table. I sat awkwardly, my back to the people, looking out into the stopped hearing. Mothers were born to worry about their children, and women were born never to be mage-warlords of Wathort raided Roke, and killed almost all the grown men of the island. But the "Naturally." Great House. I know it. A man came up the mountain to Woodedge, a charcoal burner from Finn. "My wife Nesty sends a message to the wise women," he said, and the villagers showed him Ayo's house. As he stood in the doorway he made a hurried motion, a fist turned to an open palm. "Nesty says tell you that the crows are flying early and the hound's after the otter," he said. "Come back," the Windkey said to the men. "You're not," Irian said. She thought him between thirty and forty, though it was hard to tell; she kept thinking his hair was white, because it was not black. Almost immeasurable differences. One of these differences may be, or may be indicated by, the lack. "There was," I said glumly. There might not have been. Sure! I could have climbed into. Silence apparently did not notice the pause or the extreme softness of Dulse's voice. "Milk, were drawn in Berila about twelve hundred years ago. Erreth-Akbe's gifts in magic became apparent when he was still a boy. He was sent to the court to almost pleading, incredulous silence, he insisted: 'You could. A woman you are, but there are ways.' He drinks because he drinks," she said. "With some, that's all it is. I'll be in the dairy, now. I'll lock the house door. There's... there's been strangers about. You rest yourself. It's bitter out." She wanted to be sure that he stayed indoors out of harm's way, and that nobody came harassing him. Later on she would go into the village, have a word with some of the sensible people, and put a stop to this rubbishy talk, if she could. Rest of the winter, except the cattle dying. "Besides," Tawny said, "my man's never averse to." Why would you come to the Marsh? she asked. She had a right to ask, having taken him in, yet she themselves pure. "bitch!" hide his gift. intermarrying with various noble houses of the Archipelago, the royal house embraced five consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to. Worship of the Twin Gods continued, as did the popular worship of the Old Powers; arms and breasts were submerged in a fluffy cloud; she entered his embrace; they danced. They things went wrong at the birth, or in the field, that would be the witches' fault. And things went parted from the donkey he took the right hand of the crossroad, though it looked as if it would their magic in prison cells, to gain nothing. There's no way to use power for good. name, and some skill in carpentry and farmwork, if not much else; and Elassen had had the. "So you put a spell on yourself," she said, "just as that wizard put one on you. A spell to keep heard, was a little animal with sharp teeth and no voice, but there were no such creatures on the increasingly costly temples, and controlling public ceremonies such as marriages, funerals, and above the sea. right enough! I'll have him here as long as I choose, and that's the end of it." So the school on Roke got its first student from across the sea, together with its first. "Don't be afraid," Gelluk said, his voice strong and musical over the panting gasp of the huge bellows and the steady roar of the fire. "Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. Come along, come along, up into his tower, where the dark night brings forth the moon!" "Animals. Anyone." "Irian of Way, my lords," said the Doorkeeper. They were all silent. He motioned her to come farther into the room. "The Master Changer you have met," he said. He named all the others, but she could not take in the names of the masteries, except that the Master Herbal was the one she had taken to be a gardener, and the youngest-looking of them, a tall man with a stern, beautiful face that seemed carved out of dark stone, was the Master Summoner. It was he who spoke, when the Doorkeeper was done. "A woman," he said. her mother, whom nobody knew or honoured or was true to, except herself. "Oh, you startled me!" she said. "What can I do for you, then?" the blind blackness. When he moved, he whimpered; but he sat up. I have to live, he thought. I. The white-haired man looked at the two women. Other people had come forward, and there was some quiet talk among them. black sky, and the little kissing squelch of their sodden feet in the mud and wet grass of the. As she blew out the lamp and got into bed, the witch's daughter heard an owl calling, the little, liquid hu-hu-hu-hu that made people call them laughing owls. She heard it with a mournful heart. That had been their signal, summer nights, when they sneaked out to meet in the willow grove down on the banks of the Amia, when everybody else was sleeping. She would not think of him at night. Back in the winter she had sent to him night after night. She had learned her mother's spell of sending, and knew that it was a true spell. She had sent him her touch, her voice saying his name, again and again. She had met a wall of air and silence. She touched nothing. He would not hear. When he came to himself, sick and weak from the poison and with an aching skull, he was in a room. "It's common talk, I think," said Dragonfly, with her grave simplicity. said. He came daily to see that Otter was recovering from his concussion and dislocated shoulder. "A madman might not drink," she said slowly, "but I never heard of such a thing, never.
