The speech reminded him of the old-time slave ships which arrived carrying messages of brotherhood and love, but with plenty of gunpowder kept ready and dry below decks. Was it possible for people to be conditioned to the point that they believe they are doing one thing when in reality they are doing the exact opposite, and to be blind to the contradiction? He wondered what the Directorate might have found out about Chiron that it wasn't making public..No venom, baby. Thingy has fangs but no poison.
